9th IEEE International Conference on Computational Systems and Information Technology for Sustainable Solutions (CSITSS-2025) from 20-22 November 2025

SCHEDULE OF EVENTS
Day 1: 20th Nov 2025

Pre-Conference Tutorial

Track 1: AI and Machine Learning for Secure and Sustainable systems

Venue: *MV Seminar Hall (Dept of Civil Engg., 3rd Floor)*

Time	Topic	Speaker
9:30 AM - 11:00 AM	Generative AI at the Edge	**Mr. Sambu Mohan** **Senior Software Manager Embedded and Edge Products Division at Synaptics, Bangalore**
11:00 AM – 11:30 AM	TEA BREAK	
11:30 AM – 1:00 PM	AI for Visual Creativity: How Machines See, Enhance, and Reimagine Photos & Videos	**Shri. Roopa Sheshadri** **Director at Samsung R&D Institute Bangalore** **&** **Mr. Praful Mathur** **Chief Engineer at Samsung R&D Institute Bangalore**

Track 2: Green Computing - Sustainable AI Solutions

Venue: *ISE Seminar Hall (Dept. of Information Science & Engg., 1st Floor)*

Time	Topic	Speaker
9:30 AM - 11:00 AM	AI-Driven IoT Analytics: Transforming Device Management for the Digital	**Venkata Chunduru** **Director & Head India Operations at Arcadis (IBI) Group**
11:00 AM – 11:30 AM	TEA BREAK	
11:30 AM – 1:00 PM	Putting the Puzzle pieces together: A Systems Thinking Approach to Circular Economy Transitions	**Prof. Dr. Tim Gruchmann** **Professor** **Department of Business Studies at FH Dortmund**
